I wish I could
We sold it today and I only had one
We are getting more
Let's just get it rolling and I will bring in the goods. Believe me ..
I bought 75 Lv scarves today

What about the red??
You sent me a link for it so I expect you will provide me with at least 2 of the reds.

Hey Sean,
How many do you have of each color?
red and black.

I got my team to accept your pricing and test at higher than we normally do.
We are interested.
Please let me know quantities

Thanks
